

Our School Mission Statement

To provide a school of academic excellence for students from L'Ardoise and an awareness of the social needs of the society. We imbibe internationalism and meaningful active educational service to the community.

To offer a holistic education aimed at enabling all students to be capable of facing the challenges of a fast changing world by helping them to become knowledgeable, critical and analytical thinkers, reflective, caring and life-long learners.

The utmost mission is to produce learners/students who are fully prepared for global universities and are endeared to become global citizens of values.

Aims and Objectives

- To enable students become global citizens across cultures, such as integrity, honesty, fairness and respect for all humans.
- Help students develop a sense of international understanding among student, a sensitivity to different world cultures and languages.
- Develop learners with a sense of social and academic responsibility.
- Provide the best attainable standard of education for all learners.
- Assist students to think creatively and independently, thereby becoming more cooperative thus breeding healthy competition amongst themselves and the outside world
- Develop cordial relationships with renowned universities globally to ensure smooth transitions for graduating students.

IB Mission Statement

The International Baccalaureate® aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

To this end the organization works with schools, governments and international organizations to develop challenging programmes of international education and rigorous assessment.

These programmes encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.
